Because of You

Independence, wellness, and connection are possible.

Because of you, our dedicated staff, compassionate volunteers, generous donors, and supportive community, The Senior Hub—Meals on Wheels continues to be a place of nourishment, connection, and dignity for older adults in our community.

Every day, our staff bring professionalism, heart, and commitment to work that truly matters. Your care ensures that each client is treated with respect, kindness, and consistency. To our volunteers, you are often the friendly face and caring voice that brightens someone's day. Because of you, our senior neighbors are reminded that they are not forgotten and that this community cares deeply for them.

To our donors and community partners, your generosity fuels everything we do. Because of you, we are serving more individuals than ever before meeting increased needs while continuing to strengthen programs that support independence, wellness, and connection. Your investment makes a measurable and lasting difference in the lives of thousands each year.

Most importantly, to the older adults we serve; because of you and the trust you place in us, we are honored to do this work. You invite us into your lives and homes, and that trust is something we never take lightly. You are the reason we exist, and we are proud to serve you.

Together, we are more than a program...we are a community. Because of you, The Senior Hub remains a reliable, compassionate presence for today and for the future.

We are here for you. We are grateful for you. And we are honored to serve our community; because of you.
